REPORTS AND DASHBOARDS

A composite image illustrating a user interface for managing access to reports. On the left, a 'Manage Access' panel shows a 'Visible To' section with four user avatars: 'Laserfiche User', 'Ac...', 'Matthew Day', and 'Veron...'. Each avatar has a small 'x' icon next to it. In the center, a large, semi-transparent yellow crying emoji with large blue tears is overlaid. On the right, a list of reports is visible, including '*Instructional Snapshots Full Report - NS9', '*Instructional Snapshots Full Report - NS9 (2022-2023)', '*Instructional Snapshots Full Report - NS9 (2023-2024)', 'Position in Room Summary - NS9 (2022-2023)', 'Position in Room Summary - NS9 (2023-2024)', 'Lesson Framework Summary - NS9 (2022-2023)', 'Lesson Framework Summary - NS9 (2023-2024)', '3. Instructional Practices Summary - NS9 (2022-2023)', '3. Instructional Practices Summary - NS9 (2023-2024)', 'Snapshot Count per Teacher - NS9 (2022-2023)', and 'Snapshot Count per Teacher - NS9 (2023-2024)'. The list includes checkboxes and star icons for each item. At the bottom right, it says '1-11 of 11'.
